SOCIAL ENTERPRISE – IS IT THE SAVIOUR OF THE VOLUNTARY AND COMMUNITY SECTOR?

It is important because it could enable your organisation to:

- ✓ generate its own funds
- ✓ be less dependent on the whims of grant makers
- ✓ be more in control of its own destiny

*come along to our **FREE** event to discover more*

Masson Mills, Matlock Bath
Friday 26th March
10 am to 4pm

This event is aimed at Voluntary and Community Sector (VCS) groups of all sizes and will explore the role the sector has in the economic life of the area.

It is also an opportunity to learn more about the investment that DDEP (Derby & Derbyshire Economic Partnership) is planning to make in the VCS infrastructure and to feed your views into a sector strategy.
